

A NOTE FROM CHARLENE...

Worship at DCC this week was awesome! Music, scripture reading, memory verses, and stories helped us to "Taste and See - God is Good!" The Bible stories: God providing manna and quail to the Israelites in the desert, the widow woman sharing her food with Elijah, the first passover, the first Lord's Supper, the parables of the sower and the great banquet taught us that God provides all that we need - not only food for our bodies, but food for our souls; that everyone is invited to be a part of God's kingdom! As Jesus said when teaching with a parable, "Listen! Let those who have ears hear!", we too were challenged to listen for God's voice -- we may hear it in nature -- or when we are kind to a stranger -- or when we cheerfully share our food, time and talents with others.

Thanks for a great week, helping with Scripture readings and doing an awesome job with the memory verses! Have a great summer! God is Good - All the Time! God Provides - All the Time! - **Charlene**

THROUGH KAYLA'S KALEIDOSCOPE...

Hello campers! I hope you all had a great week! I had a great week being with you! Some of my favorite moments were listening to you all cheering your teammates on as they climbed that last set of stairs during the amazing race. Seeing you make the most out of all the rain that we got this week with a mud fight during 5 puck along with tubing in the rain. All these were great fun but my favorite part was listening to you worship during the Rock and Worship on Monday night. Thank you all for coming this week, I hope you enjoyed your time as much as I did! Hope to see you next year!!
