the slug

through kayla (and kristen)'s kaleidoscope

This week was so much fun!! I have really enjoyed getting to know each of you. The week was full of fun activities and some awesome moments at chapel and firesides. You guys brought so much enthusiasm and excitement to camp this week, it was infectious! Some of my highlights was watching

"Firefly" performed by the Yurt during the talent show, the creativity of cabin clean up, the peals of laughter during group games and all of the silliness in between. See you all next year!

super fun activities!!!

We had some fantastic activities this week! We had the Olympics on Tuesday (seeing you all with faces covered in flour was great!), the crazy utensil meal and talent show Wednesday, and on Thursday we played Capture the Flag! We all enjoyed the great weather for lots of tubing runs, wet hikes and even some crawdadding. What a great week!

thoughts from the pastor

What do Mr. Sinai, Mt. Carmel, Mt. Hermon, Mt. of Olives, and "The Sermon on the Mount" have in common? They are all mountains where God has met His people to give them a message and build a relationship with them. This week at Drift Creek our theme was "Meet God on the Mountain". We learned that mountains can be many places including camp, church, our bedrooms, and our playgrounds. God is eager to meet us and build a relationship with us. His desire for us is to know Him, respect and serve Him and love Him by loving others.

Thank you, campers for a rich and rewarding week. May you all find your mountain where you can build a deep and lasting relationship with Jesus.
