activities...it was super fun!!!!

Wow, what a great week of fun activities! While we played some old camp favorite games like Capture the Flag and 5 Puck, there were some new surprises, like making banana boats at the campout. The talent show was a success with Nehalem showing us the life of Mario and Luigi, Santiam showing us to be careful of ordering dessert at restaurants. It was a great year for the Olympics-crawling through a mud pit, squirting water at the counselors and crawling through the tubes. Thanks for making this a great week of camp! -Kristen

through kayla's kaleidoscope

This week was so much fun!! I have really enjoyed getting to know the campers. A couple of things that I really enjoyed about this week were Olympics, the amazing weather we had this week, and crowdading for one of the activity periods. During the Olympics I throughly enjoyed watching the kids crawling through the mud and spraying water at their counselors. This age group is one of my favorites just because they love to have fun. When something wasn't going quite right during the week, it was the kids with all their energy that cheered me up. I love just running around and playing with them at this age. I can not wait to see all of you at camp next year!!!

thoughts from the pastor

We traveled from Mt. Sinai where the God of majesty showed us how to live, to Mt. Carmel where we discovered the one true God. We followed Jesus up the mountain and witnessed the God of glory who is beyond our understanding, and waited in the garden as Jesus prayed to the God of strength who hears our prayers. And finally with the crowds we sat with Jesus on the mountain and learned how we can be truly happy. As we return home we remember that God doesn't live primarily on the mountain, but is also with us in the valleys, those difficult times in our lives, and is with us on the plains, the ordinary times of our lives.

It's been a fun week, we were blessed with gorgeous sunshine, cool refreshing water, and the good company of friends. Thank you for being a blessing to me.

May God bless and keep you
May the very face of God shine on you, and be gracious to you
May God's presence embrace you, and give you peace.
Phil Rempel
