

# the slug

7th&8th grade  
june 27-july 2, 2010

*the slug*

*through kayla's kaleidoscope*

Some highlights from the week were the Amazing Race, 9 Square and Capture the Flag in the rain. One thing I really like about this grade is that they know how to have fun! It was neat to see some of the walls that were built up in the hearts of campers coming down by the time the week was coming to an end. Thank you for all of you campers who came to camp this week, see you next year!!

*thoughts from pastor charlene*

Worship at DCC this week was awesome! Music, Scripture reading, skits, memory verses, and stories (don't forget the orange and coins!) helped us to Meet God on the Mountain! We journeyed from Mount Sinai to Mount Carmel to Mount Hermon to the Mount of Olives to the mountainside by the Sea of Galilee. We learned about the Ten Commandments; the contest of whose God was the greatest between Elijah and the prophets of Baal; the transfiguration of Christ; Jesus praying in the garden before His arrest; and the Sermon on the Mount. We obey God's rules because we know that God's way is the best way to live; we need to listen to Jesus because He is God's Son; we need to turn loose of the things we keep holding onto tightly which keep us from God; God hears and answers our prayers; and through our actions we spread the good news of God's love and mercy! Thanks for a great week and helping with Scripture readings and doing an awesome job with the memory verses! Have a great summer! God is Good - All the Time! On the Mountain - We Meet God!
