

## Drift Creek Quilters Retreat

### **WEARIN' OF THE GREEN**

March 14-17, 2013

Come celebrate our 15<sup>th</sup> anniversary by joining us for a weekend of quilting, food, fellowship, and fun! This retreat is open to all skill levels and is a perfect opportunity to work on projects, take classes, learn a new technique, catch up with old friends, and make new ones! Prefer to work on projects by hand? We've got a great fireplace and comfortable seating - no sewing machine needed! Prefer to knit? That's okay too!

We have a few announcements this year:

1. Camp dates are March 14-17, 2013. Remember, doors will not open until 4:00 p.m. to allow proper time for set-up.
2. Please be sure to read the entire brochure. We have made changes in practices, policies, and offerings for 2013.
3. We are in need of door prize items. Please bring something if you are able.
4. You need to reserve space for a sewing machine. **This year, we are limiting the number of sewing machines to 60.** Be sure to mark the appropriate space on your registration form, or we may not have space available!
5. Espresso will be available. We will announce at camp the project that will be helped with our donations.
6. There will be two days planned for massage this year. Please be sure to mark interest on the registration page!
7. Joe Carson will be available to sharpen scissors, knives, rotary blades, and people-powered garden tools (for a fee) for campers.
8. **Non-refundable** deposit of \$50 is required with registration.

**February 1:** Deadline for registration. Registrations will be processed by postmark.

**February 15:** Balance due; last day for refund.

## WEARIN' OF THE GREEN

### Classes, classes, and more classes:

#### Mystery Quilt 60" x 79": Trish Mayhew (begins Friday after 9:00 a.m.)

This a two-color quilt this year. Can be traditional or change it up with some funky pattern. You can also choose to make the light dark and the dark light. You can use batiks or flannels with this quilt. Please don't use a large print; you don't know what you are cutting up and how yet. Pre-cutting information will be sent after registration and prior to camp. Be sure to bring all your fabric with you, along with your basic sewing supplies!

4 ½ yards dark print      and      4 ½ yards light print

#### Honeycomb Waffle Quilt 40" x 51": Lynn McCamant (Friday)

Create this amazing quilt that appears 3-D. Hold it one way the cubes appear to pop out at you, hold it the other it looks as if the cubes are recessed back. It is quite straight forward to piece. One of the biggest challenges is picking the colors. You will need ¼ yard each of a light, medium, and dark in 5 different color sets. An actual ¼ yard is more useful than a fat quarter. You want to be careful that the light, medium, and dark are distinct enough from each other. This will aid in creating the 3-D look. You will need the book ABC 3-D by Marci Baker and a 10" Clearview Triangle Ruler. The cost of the class includes a Q-tools Corner Cut triangle, 1 sewing edge strip and 2 cutting edge strips. Let me know if you need me to bring the book and ruler for you. Cutting instructions will be sent after registration.

## IMPORTANT!!!!

For those new to camp, please be aware there is no heat on at night (while we're sleeping). The first night may be pretty chilly, but following nights are a bit warmer in the rooms.

Many of us feel like Drift Creek is a home away from home, but please remember it is also a business and place of worship. This means no tight or revealing clothing, spaghetti straps, or bare midriffs. We appreciate modest dress and campers getting dressed before coming downstairs for coffee in the morning.

## Announcements, Announcements, Announcements!

- Do you have a service or product to offer? Do you need a product or service? Bring information to camp and we'll post it on a table throughout the weekend.
- Medical information must be mailed in with your registration form this year. Please do not leave this blank, even if you have no medical issues. We need to know that you saw this part of the form!
- Are you ready to show off your Drift Creek shirt? Plan to see a fashion show of our creative works.
- Quilters Cottage will set up a small store at camp for us again this year.
