CALL 971-600-1244 IF YOU HAVE QUESTIONS.

If you "Saved Your Spot" online, but did not complete the registration form, follow this link:

REGISTRATION

If you did not submit an online registration, complete the printed form and send a hard copy to:

Drift Creek Camp, PO Box 1110, Lincoln City, OR 97367
or scan/email it to: info@driftcreek.org.

In addition to registration, we also need the

HEALTH FORM

Please print the full form and provide requested information. Bring signed copy to registration.

This document is required for your camper to participate in summer programs.

If you have questions about registration, health forms or payments, please contact

info@driftcreek.org

or call the office at 971-600-1244.

If you plan to pay at registration, the most efficient method is to bring a check payable to Drift Creek Camp.

Summer programs run from **June 11– July 16**. During that time, the office will move to DCC. For questions during that window, please use the on-site number at 541-264-5067.

Covid has presented a steep learning curve! We apologize for the inconvenience caused by needing to submit information twice.

We will try to keep the registration line moving. Please come prepared with needed documents (*registration, health forms, campships*). If you are delivering medication, please bring it in its original packaging and clearly labeled.

Registration will take place indoors at the office window. Masks and distancing will be required.

The shirt table will be set up outside. Please allow space between families when visiting the camp store.

In an effort of abundant precaution we are asking that drop-offs and pick-ups be brief.

We ask that parents help carry luggage to cabins with their camper.

Please keep in mind that credit card processing is slow at Drift Creek. It will expedite the check-in process if you bring a check, cash, or provide credit card information on the registration form to be processed at a later date.

Call 971-600-1244 to reach the office before June 10 or 541-264-5067 from June 11-July 16.

THANK YOU SO MUCH FOR BOTH YOUR SUPPORT AND YOUR PATIENCE!
